BTL Branding

Waaree Creates Landmark Visibility

Waaree strengthened its brand presence through a refined outdoor branding initiative using large-scale water tank painting. Executed by Excellent Publicity, the campaign transformed everyday infrastructure into prominent brand landmarks, creating a strong on-ground presence within community environments.

The format delivered sustained visibility, high-frequency exposure, and long-term recall, ensuring Waaree remained consistently visible in daily life while reinforcing its presence through impactful, ground-level branding.

Innovation OOH

Flipkart's EOSS Went Bigger in Mumbai

Flipkart created a commanding on-ground presence for its first-ever End of Season Sale outdoor campaign through a high-visibility unipole activation. The execution featured a larger-than-life 3D cutout of Khali, transforming the site into a landmark visual that drew immediate attention and memorability.

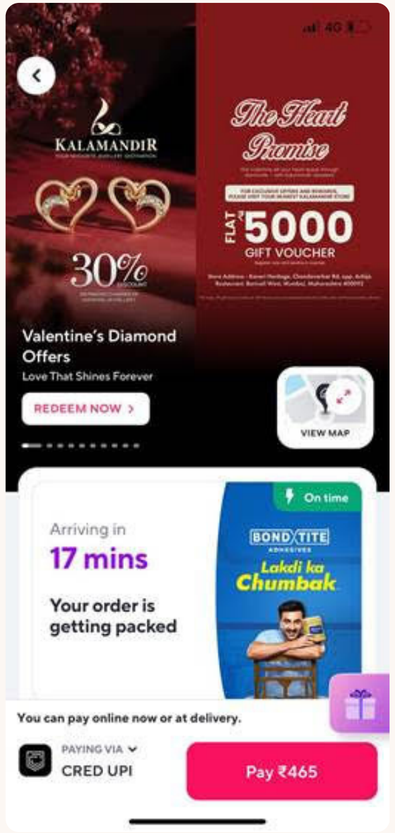
Planned and executed by Excellent Publicity, the campaign faced extremely tight timelines but was successfully delivered on-ground within just 7-8 hours. The swift coordination ensured the campaign went live exactly when required, generating strong buzz, high visibility, and top-of-mind recall during Flipkart's limited-time EOSS sale period.

Innovation OOH

Positioned for Visibility, Designed for Footfall

Kalamandir, a with a strong retail presence across India, set out to boost walk-ins at its Borivali store in Mumbai amid rising gold prices by introducing a flat 7% discount on making charges for 22kt gold jewellery.

Executed by Excellent Publicity, the campaign combined a high-impact BQS outdoor presence across the Andheri-Borivali stretch with a hyperlocal digital push on the Zepto app. After sustaining outdoor visibility for eight months, a special Republic Day innovation was rolled out across six sites in just 4-5 days, adding freshness and recall. The integrated effort successfully translated into increased footfall and stronger local engagement.



Airport Branding

Citizen Solar: Airport-Scale Awareness

Citizen Solar achieved premium visibility through a strategically placed trolley branding campaign at one of the country's busiest airports. The execution ensured continuous exposure across arrivals, departures, and transit zones, engaging a high-value traveler audience in a trusted environment.

The sustained presence delivered consistent recall, strengthened brand familiarity, and reinforced Citizen Solar's positioning as a forward-looking and credible renewable energy brand.

Planned and executed by Excellent Publicity, the campaign leveraged media outreach and coverage to communicate Revomac's key announcements to a wider audience.

The strategic PR activation ensured strong media attention, enhanced brand credibility, and increased awareness among industry stakeholders and decision-makers.

રેવોમેક ઈન્ડસ્ટ્રીઝ ભારતનું પ્રથમ ઑટોમેટિક ફુલી સર્વો ક્યુબર સિસ્ટમ લોન્ચ કરશે : કૉંક્રીટ બ્લૉક મેન્યુફેક્ચરિંગમાં નવી સિદ્ધિ

અમદાવાદ, ૯ ઓક્ટોબર

રેવોમેક ઈન્ડસ્ટ્રીઝ પ્રાઈવેટ લિમિટેડ (ફેક્ટરી અહમદાબાદ-કઠવાડા હાઈવે પર આવેલી છે અને કોર્પોરેટ ઓફિસ ઈસ્કોન ક્રોસ રોડ ખાતે આવેલી છે. કૉંક્રીટ બ્લૉક મશીન બનાવતી કંપની, રેવોમેક ઈન્ડસ્ટ્રીઝ એ ભારતનું પ્રથમ ફુલી ઓટોમેટિક સર્વો ક્યુબર સિસ્ટમ લોન્ચ કરીને ઉદ્યોગમાં ક્રાંતિ લાવવાનું શરૂ કર્યું છે. જે કૉંક્રીટ બ્લૉક અને પેવર હેન્ડલિંગના દરેક સ્ટેજને વધુ અસરકારક અને ઓટોમેટેડ બનાવશે. આ નવી ટેકનોલોજીથી હવે, કૉંક્રીટ બ્લૉક બનાવવું, તેને સ્ટેક કરવું અને ડીલીવરી માટે તૈયાર કરવું , આ તમામ કામ એક જ મશીન દ્વારા ઓટોમેટિકલી થઈ જશે. જેના કારણે ઉત્પાદનમાં વધુ ચોકસાઈ, ઝડપ અને ગુણવત્તા આવશે, અને ઉદ્યોગને નવી ઊંચાઈઓ પર લઈ જશે.

રેવોમેક ઈન્ડસ્ટ્રીઝ છેલ્લા ૧૫ વર્ષથી કૉંક્રીટ ઈંટ, પેવર બ્લૉક, કર્બ સ્ટોન અને હોલો બ્લૉક માટે આધુનિક મશીનો બનાવી રહી છે. કંપનીએ ૪૫૦થી વધુ મશીનો ભારતમાં સફળતાપૂર્વક સ્થાપિત કર્યા છે, અને તેના ઉત્પાદનો દક્ષિણ અમેરિકા, આફ્રિકા અને ગલ્ફ દેશોમાં નિકાસ થાય છે. ફ્લોરિડા, દુબઈ, કેન્યા અને ટોગોમાં તેની ઓફિસો છે, જે તેની વૈશ્વિક ઉપસ્થિતિને વધુ મજબૂત બનાવે છે. આ નવી ટેકનોલોજી સાથે, રેવોમેકએ ફરીથી સાબિત કર્યું છે કે તે ભારતના કૉંક્રીટ બ્લૉક મેન્યુફેક્ચરિંગ ઉદ્યોગમાં નવીનતા અને વિશ્વસનીયતા બંનેના મોરચે પર અગ્રણી છે.

આ પ્રસંગે, રેવોમેકના ડિરેક્ટર જિગર પટેલે કહ્યું, "આ ઓટોમેટિક સર્વો ક્યુબર દરરોજ ૫૦,૦૦૦ થી ૧,૦૦,૦૦૦ તે ઈંટોને પેલેટ પરથી ઊંચકીને, ક્યુબ બનાવી, બંડલ કરીને, ડીલીવરી માટે તૈયાર કરે છે." તેમણે ઉમેર્યું, "આ નવી ટેકનોલોજીથી મજૂર પરની નિર્ભરતા ઘટાડે છે, જગ્યા નો વધુ અને શ્રેષ્ઠ ઉપયોગ થાય છે, અને ઉત્પાદનની ગુણવત્તા વધુ એકસરખી અને વિશ્વસનીય બને છે. સરળ શબ્દોમાં કહીએ તો, હવે કૉંક્રીટ બ્લૉકના ઉત્પાદનની પ્રક્રિયા સ્માર્ટ, ઝડપી અને ટકાઉ બની ગઈ છે." આની સાથે સાથે, રેવોમેકે જેગુઆર પ્રેરિત બ્લૉક મેકિંગ મશીન પણ રજૂ કર્યું છે, જે નવી વાઈબ્રેશન ટેકનોલોજી સાથે સિમેન્ટનો ઓછો ઉપયોગ કરીને વધુ મજબૂત બ્લૉક બનાવે છે. એટલે કે, ઓછા ખર્ચે વધુ ગુણવત્તા.

રેવોમેકની મશીનો દેશમાં અનેક જાણીતા પ્રોજેક્ટ્સમાં કાર્યરત છે, જેમ કે રિલાયન્સ વંતારા, મુન્દ્રા પોર્ટ, ધોલેરા SIR, જેવર ઈન્ટરનેશનલ એરપોર્ટ, રેલવે ફેઈટ કોરિડોર અને AIIMS.

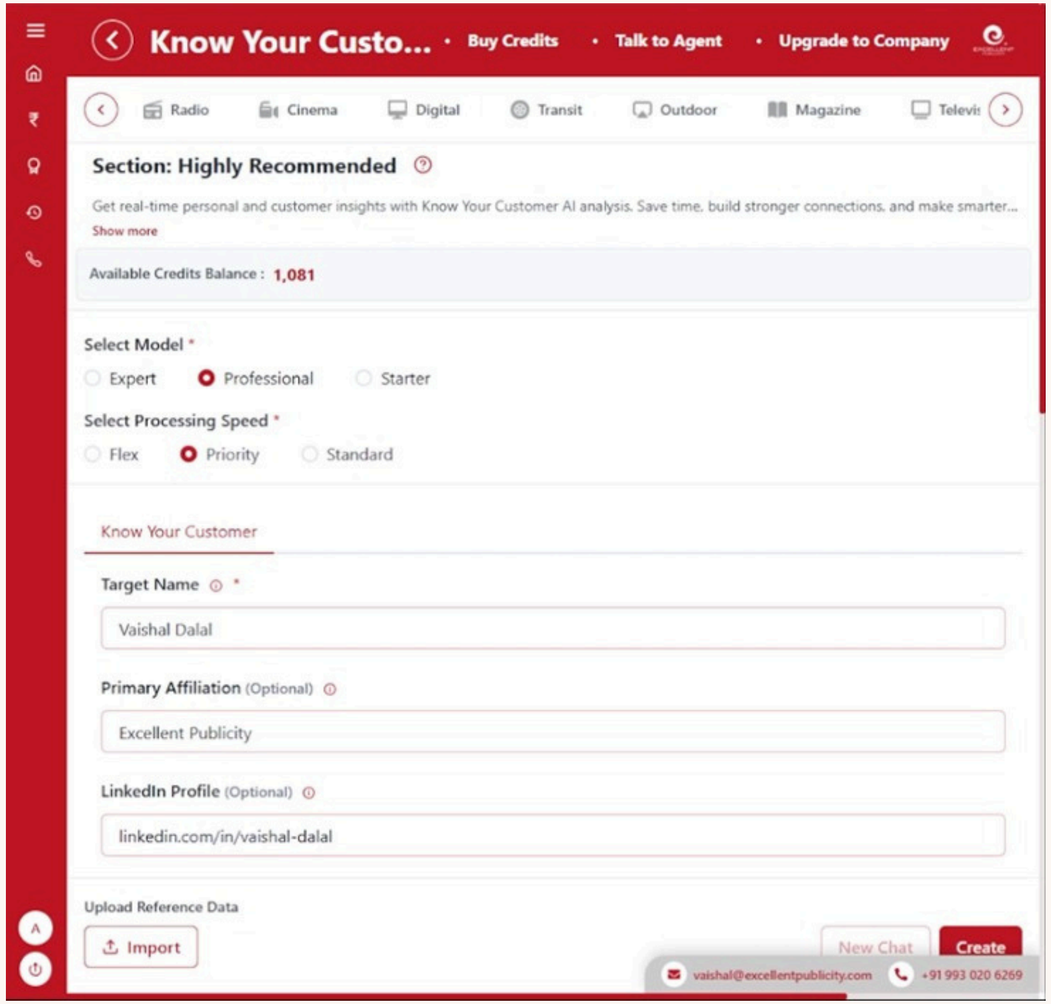
Know Your Customer AI



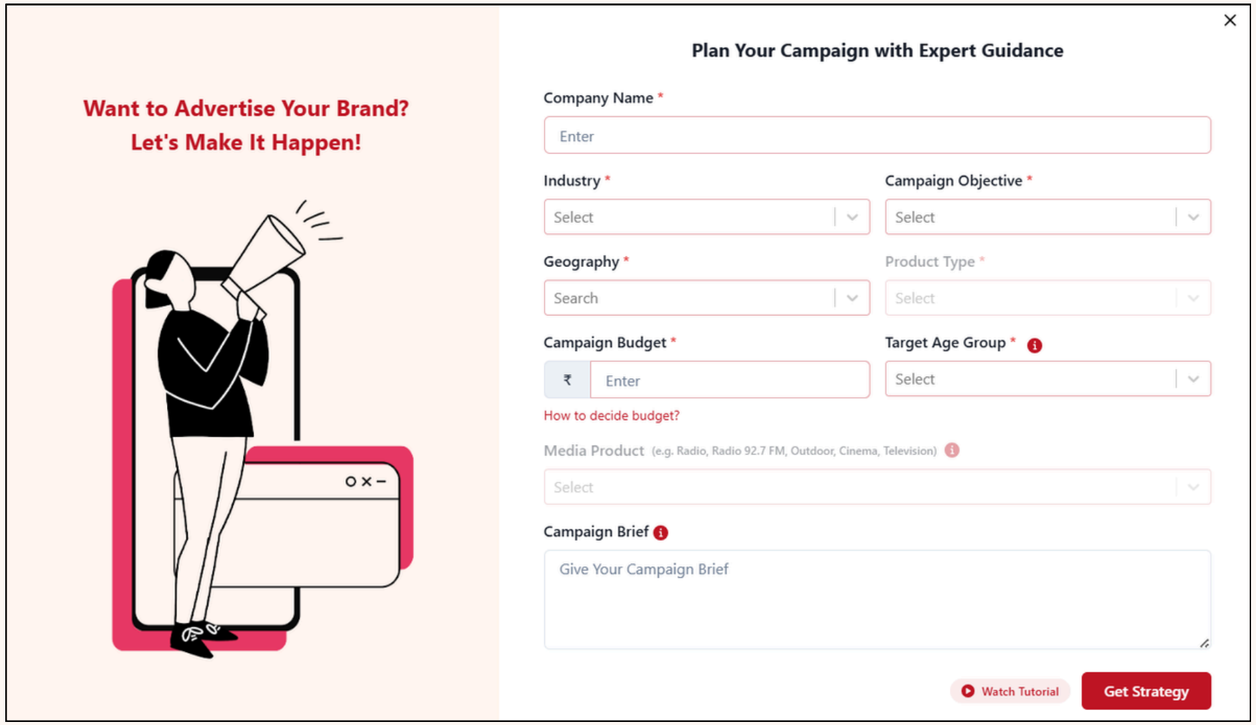
Ever wish you could truly understand the person you're about to meet, hire, or collaborate with?

That's exactly what Know Your Customer AI does. Enter a few basic details, and our AI builds a full personality profile of any individual. From growth journey to career highlights, networks, media mentions, and influence, you get it all in one simple report.

AI Media Planner

- Only the top 1% of advertisers have access to deep competitor insights and clear media planning strategies, while everyone else is left guessing budgets, media mix, pricing gaps, and what competitors are doing, often spending weeks and significant money to figure it out.

AI Media Planner solves this by instantly delivering data-backed competitor analysis, budget recommendations, and media strategy. Built on insights from 10,00,000+ campaigns (₹25 to ₹5,000 Cr), it helps brands pick, book, and execute the right media anywhere, with strategies automatically aligned to their goals.



Influencer Ecosystem

- Backed by one of the largest influencer data and insights networks, we provide everything needed to plan and execute seamless, high-impact influencer campaigns, from discovery and profiling to performance tracking and optimization.
